AUA Awards Recognize Top Urologists, Honor Service to Specialty and Society

The AUA has announced the 2015 award recipients who will be honored at the Association's upcoming Annual Meeting in New Orleans this May. Our CJU's Editor-in-Chief, Dr. Leonard G. Gomella will be recognized with the Distinguished Contribution Award "for contributions to the science and practice of urology and specifically for the *Clinicians Pocket Reference*, widely used by medical students and health care providers".
